THE GANG 1981

GOOD EVENING.

The people on stage tonight represent only a small proportion of the total number engaged up on the production of our 1981 Gang Show. They are the ones who reap the applause but they are only the visible part of a huge team which has laboured hard and long preparing for our 22nd Show.

We know that you would like to join in our thanks to our army of back staggers so, say we include you when we say how very grateful we are to:- Admin, Dance Arrangers, Lights, Painters, Make-Up, Orchestra, Production, Programme Sellers, Props, Usherettes, Stage Hands and - last but by no means least - Wardrobe. We have had, also, the invaluable assistance of the Pier Manager and his staff, Messrs. Jackson, Green and Preston, our Advertisers and ... the one and only Ralph Reader, C.B.E. Now on with the make-up, strike up the band and away we go with Gang Show 1981. Hope you enjoy it.
