GOOD NIGHT

The people on stage tonight represent only a small proportion of the total number engaged upon the production of our 1984 Gang Show. They are the ones who reap the applause but they are only the visible part of a huge team which has laboured hard and long preparing for our 25th Show.

We know that you would like to join in our thanks to our army of back stages so, may we include you when we say how grateful we are to :- Admin, Dance Arrangers, Lights, Painters, Make-up, Orchestra, Production, Programme Sellers, Props, Usherettes, Stage Hands and - last but by no means least - Wardrobe.

We have had, also, the invaluable assistance of Messrs. Jackson, Green and Preston and our Advertisers. Now on with the make-up, strike up the band and away we go with Gang Show 1984. Hope you enjoy it!
